Kayaking Tours & Hire

“It was just the two of us out there, serene, peaceful, beautiful. We paddled for a while then floated for a bit and just enjoyed it. We did this on and off for the whole way to the bridge (3km) and all the way back downstream. Lots of birdlife and we got to see fish jump out the water quite a few times. It was lovely, so relaxing, the perfect way to round out our trip on KI. Highly recommend.”
